January 11th through April 5th

Please join us for supper from 5:30 to 6:30 pm

Classes are from 6:30 to 7:30 pm

### **Knowing Jesus – Gospel of Matthew – led by Jim Glatz**

**Room: LH 112/113**

How well do you know Jesus? The goal of this class is to help you know your Lord better through the study of the Gospel of Matthew. It will also allow you to explore more deeply what we will be covering in the new sermon series on Matthew, beginning in January. Matthew's gospel is rich. It helps us see that Jesus didn't arrive out of a vacuum, but rather his coming is the culmination of God's mighty acts of redemption in history. Indeed, Matthew quotes Old Testament prophesy more than any other gospel writer because he sees Jesus as its fulfillment. If you want to deepen your understanding and relationship with the Lord, please join us for this marvelous study. The only textbook you will need is the Bible.

### **Respectable Sins – led by HH Coker**

**Room: MB 154**

Why are some sins considered worse than others? In this interactive class we will be reading and discussing best-selling author Jerry Bridges' book *Respectable Sins*. His book will help us evaluate how we regard the sins we tend to overlook. Through probing discussion questions, this guide helps you work through anger, jealousy, pride and more while looking to God for His grace and forgiveness. Book \$13.00

### **Leading our Baptized Children and Grandchildren to Jesus – led by Joel Brantner**

**Runs from January 11th through February 15th**

**Room: FH 234**

Do you worry about your child or grandchild's salvation? Sure, they've been baptized but what exactly does that mean? Will my child be with me in heaven? If you're a parent or grandparent of any age child, this class will help you understand what your child needs after baptism, how to teach the Gospel to your child and how to apply what the Bible says to your child or grandchild's life. If you have any influence over children in any way, this class will help you bear the Baptismal covenant we all take when a child is baptized among us. Hope to see you there!

### **A Clear Conscience: The Felt Freedom from Guilt– led by Joel Brantner**

**Runs from February 22nd through April 5<sup>th</sup>**

**Room: FH 234**

Are you chronically assaulted by guilt? Ever wonder what that "voice in your head" is and whether it's from God? Are you tired of trying to "get-along" with others who think so differently than you because you don't understand how they can think so differently? Ever wonder what the conscience is for and how God uses it to mature us in our faith? Join us for a six-week discussion on these very questions and much more!

### **Psalms – led by Mary Mcilwain**

**Room: MB 152/Library**

Join us as we continue to enhance our childhood understandings of Psalms, written over a 1,000 year period. Praises, pleas, statements and questions often point to Christ's coming.
