## Saxe Gotha Presbyterian Church Officer Nominations

Healthy leadership is essential to the spiritual vitality of our congregation. Therefore, the importance of the process for selecting Saxe Gotha Presbyterian's leadership can not be overstated. It is imperative that you very carefully and very prayerfully choose the individuals to suggest as nominees for either Elder or Deacon. Ultimately, the responsibility of the congregation to elect its own officers is a fundamental and distinctive element of Presbyterian church government.

The policy-making body of a Presbyterian congregation is the Session, which is comprised of both Elders and Pastors. The Senior Pastor serves as the Moderator. Members of the Session work together to develop and advance the mission of Saxe Gotha. Elders may also serve on higher governing bodies, such as the Presbytery and Synod. In their role at Saxe Gotha, the Deacons function alongside the Elders on the various ministry teams and lead in carrying out the work necessary to further the witness of our church.

## **Terms of Service**

At Saxe Gotha, the Ruling Elders and Deacons will be elected to serve terms of no more than three (3) years. Although they may be eligible for reelection according to congregational rule, ordinarily there will be a break in service before active officers are considered again for nomination. However, no Elder or Deacon will be eligible to serve more than six (6) consecutive years; and an Elder or a Deacon who has actually served for six (6) consecutive years will be ineligible for election to the same office for at least one (1) full year.

## **Eligibility for Election**

Any person who is currently an active member of the Saxe Gotha Presbyterian Church, and who adheres to the Essentials Tenets of ECO: A Covenant Order of Evangelical Presbyterians, can be nominated to serve as an Elder or a Deacon for our church. You will find the Essential Tenets at [eco-pres.org](http://eco-pres.org).

## **The Ministry of Elders**

Elders are given the authority and responsibility, along with our Pastors, to oversee the spiritual health of this congregation, as well as the congregation's faithfulness to God's mission. Elders will be elected by vote of the active members who are at a Congregational Meeting.

## **The Ministry of Deacons**

Ordinarily, the Biblical office of Deacon will be utilized by Presbyterian congregations. Deacons play a major leadership role in the ministries that nurture fellowship and care-giving within and beyond the congregation. As with Ruling Elders, Deacons may also be called on to preach, teach, or otherwise assume special responsibilities. The Session assigns, directs, and provides oversight for them. Deacons at Saxe Gotha are elected by vote of the active members who are present at a Congregational Meeting.

## **Nominations and Election**

Any active member on the roll of Saxe Gotha may make a nomination, and you may nominate yourself. All persons whose names are sent in will be notified of their nomination; and if they agree to be officially considered, they will then be interviewed by the Officer Nominating Committee. This is a group of members which is comprised of Elders, Deacons, and lay people from many segments of the Saxe Gotha church community. The committee evaluates the needs anticipated by the ministries due to turnover, and the gifts of the persons who have been recommended for nomination, in order to give Session a list of candidates to fill the vacancies and serve as Elders and Deacons. If the Session concurs with the slate of nominees proposed, a Congregational Meeting will be called and the names will be presented to our members for approval. We need the strongest group of nominees possible if Saxe Gotha is to grow and to flourish. Please help by prayerfully considering who might best serve the church and submit the names of Godly men and women who can lead us forward.
