

Adult Sunday School Classes

(2018-2019)

All Classes Meet Sunday Mornings at 9:45 am

Bridgebuilders Room 141/142 LH 40+

We are a diverse group of those middle age and up, couples and singles. We mostly do Bible studies, but occasionally we'll do a book or video study. A handful of folks share the facilitating job. We encourage and typically have lively discussion, but it's ok if you just like to listen. We participate in Compassionate Care and Missions ministry. We have an in-class social every time we start a new study, and a once or twice a year a fellowship event in someone's home. In addition, members gather in small, two or three person groups to meet on their own for lunch or coffee to have fellowship using a list of questions to promote spiritual discussion.

Explorers Room 139 LH All Ages

We are a friendly group of people who enjoy exploring the Bible and our faith. HH Coker is our primary teacher, and she often has to corral in our lively discussions. We have a variety of ages, marital statuses and life stages. We support and encourage each other. We enjoy quarterly socials and supporting the various mission outreaches of the church.

Families in Faith Fellowship Hall 30s-50s

We are couples and singles with young children, ranging in age from our 30s to 50s. We meet on Sunday mornings to grow in our Christian faith as parents. We study scripture, as well as various topics. We enjoy fellowshiping and supporting each other. We are heavily involved in the backpack ministries.

Friends in Faith Room 234 MB 30s-50s

We are a group of couples and singles that meet to grow deeper in His word. Through a teacher rotation that includes lecture and discussion, we dive into the Books of the Bible, as well as Bible studies on relevant contemporary topics. We are very active in church activities such as Operation Christmas Child and our annual Turkey Fry for Operation Turkey.

Foundations Rooms 112/113 LH 40s-50s

Our class is discussion-based with individuals or couples rotating to lead us. We use a variety of studies. We enjoy socials from time to time, with at least one in the fall and one in the summer. We are also very active in serving through different areas of the church.

Good News Class Room 233 FH 60+

We use the David C. Cook Bible Scriptures study, and we are led by a team of teachers who rotate. We always have good discussion time. We reach out at Christmas to the residents of Lexington Extended Care. We often get together for dinner to fellowship. Any adult over the age of sixty, singles or couples, are welcome to join us.

Jerome Spires Room 152 MB 50+

The Jerome Spires class studies books of the Bible one chapter at a time. It is led by class members who volunteer. Our class also spends time each week sharing and praying together. We have two socials each year for fellowship and fun. At Christmas, we assist a needy family and help as other needs come up during the year.

Kerygma Room 154 MB All Ages

This is a lecture and discussion class with one teacher. Our diverse ages provide a broad input of topics and discussion. The class mainly studies either topical issues (e.g. Islam, Hymns of the Church), historical events (e.g. The Reformation, Early Church History) or, in most cases, deep analysis of a book of the Bible.

The Men's Only Class Room 130 LH 40-80

The Men's Only class is a discussion Bible study group with Damon Walker as our primary teacher, but we do have guest teachers occasionally. For our service project, we have fed the homeless in Columbia several times over the last few years, and we have a cookout planned in October for fellowship.

Musicians in the Word Choir Room All Ages

We are the class for those who love music or are involved in the music program in the church. The class is discussion style and led by Hal McIntosh, Director of Worship Arts. We talk about how to deepen our faith in Jesus Christ through various ways and studies as we serve through our music.

New Genesis Room 151 MB All Ages

We combine lecture and discussion. The primary teacher presents and leads the topic, but class members are encouraged to ask questions or participate in discussion. We principally use the Bible as the central teaching tool and often have multi-class series based on prominent biblical themes or doctrinal concepts. We engage in multiple social and service activities including a large Christmas gathering. We actively support two local charities financially. Our class is chiefly made up of Baby Boomers, but we have members and frequent attenders from 20 to 90 years old.

The Open Door Room 155 MB 40s-60s

This is a scripture based Sunday School class with emphasis on God's Word and its application to everyday life. Our class is diverse with couples and single adults, some with children, in the 40-60s age-range. Come join us for Bible study in a friendly, encouraging environment.

The Prime Timers Room 310 FH 50s-80s

The Prime Timers is conducted as a combination of both lecture and discussion relating to topical content. Teaching is usually done by one person. The class is involved with activities such as Classics, Caring Connections Brotherhood and others. The class has one luncheon or social get together once quarterly. The study materials are chosen from approved religious authors and scholars. Focus is on both Old Testament and New Testament lessons and applying these lessons to modern, contemporary life.

YAMming in the Bible Room 235 MB 20s-30s

Our Sunday School class is for young adults, approximately early 20s to mid 30s. We are a mixture of singles and couples. We love to interact and discuss each lesson, whether it's from the Bible or a relevant and current topic. We are also involved in other ministries of the church and we often meet for meals, fellowship and service at various times during the month.
